Exhibit A

Attn:

If you are reading this I am no more. I refuse to spend even an hour more in jail for something I had NOTHING to do with. Enough is enough. If it takes my head to end this, so be it. I want it to be known that Michelle Taconis had nothing to do with Jennifer's disappearance. And neither did Kent Mawhinney. I ask the State to let them free of any such accusations. I also ask the State to stop harassing my friends; Andrea Tantaros, and Anna Curry. They are honorable people. Please let my children know that I love them, I would do anything to be with them, but unfortunately we all have our limits. The State will not rest until I rot in jail. My attorney can explain what happened with the boy on Albion Avenue. Everything else is a story fabricated by the Law Enforcement. I want to thank all my family and friends that stood by me this difficult time. Above all Anna Curry. I am sorry for letting you down and not continuing the fight.
